### Napomena - Notice:

# Tablica se odnosi na broj odstreljenih divljih svinja svaki lovni dan odvojeno, ne sveukupni broj svinja tijekom lovnog puta. Račun se temelji odvojeno na svakom danu lova. Odstrel lisice i čaglja je u skupnom lovu gratis.

# The table refers to the number of wild boar killed each day separately, not all days in total. The calculation for invoice is done according to the table every day. Shooting of Jackals and foxes are gratis!

# Ukoliko je lov odgođen radi lošeg vremena – taj dan se ne naplaćuje !

# if the hunt is delayed for bad weather or like - that day hunting is not charged!

# Ukoliko se lov mora prekinuti – obračun se radi na temelju do tada ostvarenog rezultata

# If, during a hunt, the hunting must be terminated - it is calculated according to achieved result !

# Ukoliko nije viđeno niti jedno grlo svinje divlje tijekom lovnog dana – taj dan će biti naplaćen 2.260.35 kuna po lovcu

# If non wild boar has been seen and if there has been no shoot fired during the hunt – that day will be charged EUR 300 per hunter

\* Ostavlja se mogućnost izmjena cijena po dogovoru te mogućnost davanja popusta

\*The possibility of price changes by agreement and the possibility of giving a discount is optional
